

Pray Hemel

Pray Hemel continues around the town, some normality is returning. We have been able to resume meeting face to face this year more than last, and have been warmly welcomed something we do not take for granted.

We said a sad fare well to Ian Williams at the end of April he and Gill were so supportive of Pray Hemel in the early days, and full of encouragement when I was starting out something that I badly needed at the time. I am so grateful to them both for that, and ask that we remember Gill as she navigates life without Ian.

Pat and I will be meeting to discuss 2023, soon, we do not take for granted another year but pray and ask is this right Lord?

We have a big celebration coming up :20 years of Pray Hemel which we will celebrate at St Georges where it all began.

The Pray Hemel 20 years is on: Saturday 5th November, please do save the date and promote where you can, we will be at St Georges for 8am breakfast and giving thanks for 20 years of Pray Hemel, all that have taken part in it, and the churches/venues who have hosted us over these years.

We will email information out to CTHH when 2023 is booked. In the meantime my grateful thanks to Pat & Bob who steadfastly help and support Pray Hemel every month, organising, sending out emails, and generally being the behind-the-scenes Stars.

Penny Crosswell
